Serving Wounded Heroes and their Families

OVER A DECADE OF SERVICE

OPERATION FIRST RESPONSE is rated as one of the top charities serving our military heroes by both Charity Navigator and Independent Charities of America. OFR is an all volunteer, direct service charity. Since 2004 our mission has been to serve wounded military heroes and their families. To date we have served over 20,000 families.

We serve all branches of the military and go where there is the greatest needs. Donations raised are used to provide personal and financial services from the onset of the injury or illness, throughout the recovery period, and along the journey from military life to the civilian world.

OUR SERVICES INCLUDE airline flights, lodging, car transportation to/from airport and hospital. We provide financial support for the basics like groceries, clothing, mortgage, rent, utilities, and vehicle payments. The things we take for granted are not so easy for our wounded veterans and their families.

WE ALSO OFFER a 24 hour - 7 day a week hotline for veterans who are needing assistance. This is especially important for those veterans suffering with PTSD.
